SUMMARY

Growth and content marketer with three years of remote work for companies in the US, Australia, Singapore and the Philippines. Content I led drove $569K+ in attributable revenue and 1.2M+ organic visits at Interview Query, and Meta ads won about 15 clients and PHP 15M in contracts at Storyseller Systems. I plan the strategy and also make the work: scripts, video edits, emails and ads.

EXPERIENCE

Winning Coaching (Teamplanu, Inc.) | Digital Marketing Associate | Remote, Philippines | Sep 2026 - Present
- Built the organic acquisition funnel for a business coaching program: YouTube client-story videos lead to a paid webinar, then an application reviewed by the founder.
- Script and edit the founder's long-form YouTube videos and video sales letter in DaVinci Resolve, and cut vertical shorts from each one.
- Set up the webinar offer document, application form and email follow-ups for the November cohort launch.

Freelance Growth and Content Marketing Consultant | Remote | Apr 2026 - Sep 2026
- ROO (US kitchen brand, Apr to Sep 2026): redesigned the Shopify home page, which went live, and produced Meta video ad variants from the account's winning ad.
- ROO: designed 21 Amazon-style listing images for the product range and wrote the weekly performance report for the founder.
- BrandBeacon and UGC Breakouts (US SaaS for brands and UGC creators, Jun to Sep 2026): wrote lifecycle emails, ran Meta competitor research and redesigned the free-to-paid onboarding flow.

YourLifeChoices | Newsletter Editor | Sydney, Australia (Remote) | Mar 2025 - Sep 2026
- Produced 150+ newsletters for 70,000 subscribers, averaging a 48% open rate and a 10% click rate.
- Helped drive 1.15M+ traffic through editorial planning, headline testing and subject line A/B tests.
- Wrote the daily performance report for the editorial team, reading open rate, clicks and story-level results.

Storyseller Systems | Marketing Strategist | San Juan, Metro Manila | Mar 2025 - May 2026
- Ran Meta lead generation for a high-ticket B2B system (contracts from PHP 300K): PHP 20 per enquiry and about PHP 300 per qualified lead, winning about 15 clients and PHP 15M in contracts (PHP 5M collected) in six months.
- Built the company's organic presence from zero to 300K+ reach and 4K+ engagements across TikTok, Facebook, Instagram, LinkedIn and YouTube.
- Developed content angles and storytelling frameworks aligned with SME buyer psychology.

Interview Query | Content and Marketing Manager | Los Angeles (Remote) | Apr 2024 - Jan 2026
- Led content strategy across SEO, social and video that contributed to $569K+ in attributable revenue.
- Drove 1.2M+ organic traffic by developing and optimizing 300+ pages based on search intent and engagement data.
- Produced short-form and long-form video that generated 2M+ YouTube views and 15K subscribers.
- Scaled LinkedIn content to 8.7M impressions and 39K engagements through positioning and hook testing.
- Managed a distributed team of 10+ writers, editors and creatives; acquired 34K new users through Reddit distribution.

PilotTV Philippines | Content Analytics Manager | San Juan, Metro Manila | Apr 2024 - Oct 2025
- Delivered performance insights across 30+ campaigns for FMCG advertising clients, supporting lead generation at PHP 13 per valid lead.
- Reduced reporting turnaround time by 50% through analytics workflow improvements.

Kelly Technology Pte Ltd. | Content Marketing Consultant | Singapore (Remote) | Aug 2023 - May 2024
- Led campaigns that acquired 23K+ new app users in two months and reduced CAC from PHP 20 to PHP 12.
- Grew social engagement to 200K on Facebook and 84K on Instagram.

EDUCATION

Ateneo de Manila University | BS Management-Honors, Specialization in Project Management | 3.73/4.00 QPI, Magna Cum Laude, Ranked 7th in Program
- President (2022-2023) and Marketing Head (2021-2022), JGSOM Sanggunian: grew social reach to 91,000 and led channels reaching 70,000+ people.
